"THE MEETING WAS OPENED ABOUT 11.30 a.m. BY THE CHAIRMAN OF THE DAY AREA COUNCIL OF SCHELL COMMITTEES, MR. WARREN EILLINGS WHO SAID THAT THE MEETING WAS A VERY IMPORTANT ONE, TO DISCUSS THE FUTURE PLANS FOR THE MORTON SCHELL CAMPAIGN FREEDOM FROM ALCATRAZ. HE SAID THAT THE PEOPLE HAVE TO FIGHT HARD AGAINST THE "ARSENAL OF THE F.B.I." AND THE ENTIRE DEPARTMENT OF JUSTICE" WITH REGARDS TO THE SCHELL CASE WHO WAS FRAMED AND ALL THE EVIDENCE PRESENTED BY THE FEDERAL BUREAU OF INVESTIGATION FABRICATED" AND THE F.B.I. HE ALSO WAS ASKED BY THE DISTRICT ATTORNEY AT THAT TIME DURING HISTORICAL CASE YEARS TO ACCUSE AND TO TURN AGAINST HIS PUDY IN THE CASE TOM MOONEY. HE SAID HE COULDN'T NEVER SAID ANYTHING HIMSELF OR TOM MOONEY BECAUSE THEY BOTH WERE INNOCENTS OF THE CRIME FOR WHICH THEY SUFFERED IMPRISONMENT FOR MANY YEARS, BUT IT WAS THE MANDATE OF THE PEOPLE WHO DELIBERATED THEM FROM PRISON. AND THE SAME THING WILL ACCUR NOW WITH MORTON SCHELL, BECAUSE THE PEOPLE OF THE U.S.A. WILL DEMAND HIS

SF 100-35117

FREEDOM, AND THAT IS WHY THE MEMBERS AND FRIENDS OF MORTON SOBELL HAVE TO WORK HARD TO OBTAIN HIS FREEDOM FROM ALCATRAZ ISLAND.

"AFTER HIS SPEECH MR. WARREN BILLINGS INTRODUCED THE MAN WHOSE PHONE NUMBER I REPORTED IN MY LAST REPORT OF THE SOBELL COMMITTEE MEETING AT 35 FRANKLYN ST., I COULD NOT UNDERSTAND THE NAME VERY WELL. HE ONLY SAID A FEW WORDS AND TALKED IN VERY LOW VOICE COULD HARDLY HEARD HIM.

SF 100-35117

OF THE BAY AREA VERY WELL, SHE SAID THAT THE OUTLOOK FOR THE FUTURE WAS VERY GOOD, SHE IS PLANNING TO WORK HARD AND TO BRING MORE SIGNATURES AND NAMES WILL BE ADDED TO THE EAST BAY AREA COMMITTEE. SHE SAID THAT FINANCIALLY THE EAST BAY AREA IS NOT BAD AT ALL, PEOPLE ARE ALWAYS SENDING MONEY BUT INSISTING AT THE SAME TIME TO REMAIN ANONYMOUS. SHE SAID THAT THEY WILL HAVE FUTURE AFFAIR IN PRIVATE HOMES AND THAT WILL HELP TO BRING THE MONEY INTO THE MORTON SOBELL CAUSE.

"NEXT: TIM KELLY CHAIRMAN OF THE MARIN COUNTY COMMITTEE OF MORTON SOBELL. HE INTRODUCED HIS CO-OWNERS: HELEN MORRIS, A CRIPPLED WOMAN, AMERICAN, WHITE, BRUNETE, BLUE EYES, ABOUT 25 YRS., CRIPPLED LEGS, I DO NOT OF WHAT NATURE, MIGHT BE POLIO, USED CRUSHES, 114 LBS. 5'5". "HE ALSO STATED THAT HE JUST RETURNED FROM A VISIT TO MEXICO CITY WHERE, HE MET WITH MANY GOOD PEOPLE WHO ARE VERY INTERESTED IN THE MORTON SOBELL CAUSE AND CASE, AND AT PRESENT ARE WORKING OUT A PLAN OF ACTION ON MORTON SOBELL BEHALF, AND ALREADY HAVE COLLECTED \$7,000.00 DOLLARS FROM THE MEXICAN PEOPLE. HE DID NOT MENTIONED NAMES AT ALL, BUT HE SAID THEY ARE ALREADY IN ACTION. WITH REGARD TO THE MORTON SOBELL AND ALREADY HAVE STIR UP THE MEXICAN PEOPLE AND ALSO WILL WORK IN OTHER LATIN AMERICAN COUNTRIES THROU PROPAGANDA.

"HE DID NOT MENTIONED THE NAME OF WHOM HE MEET IN MEXICO CITY, HIS REPORT IN THAT PARTICULAR WAS KIND OF BRIEF, TIGHT.

SF 100-35117

"NEXT REPORT. SYLVIA STEINGART, WHO SAID THAT THE PEOPLE HAS TO WORK HARD, THAT SHE HAS ALREADY CONTACTED MANY PEOPLE FROM THE I.L.W.U. WARE HOUSEMEN'S UNION, AND THE SHOP STEWARD OF THAT UNION, I.L.W.U. AND ALREADY THEY HAVE MET TOGETHER IN STOCKTON AND SACRAMENTO, ALSO IN SAN JOSE. SYLVIA STEINGART IS CHAIRMAN OF THE PENINSULA AREA OF MORTON SOBELL COMMITTEE. THE PURPOSE OF MEETING WITH OFFICIALS AND MEMBERS OF THE I.L.W.U. UNION IN STOCKTON AND SACRAMENTO WAS TO GET A CLOSER COOPERATION ON THE PART OF THE WORKING PEOPLE SO THEY ARE WILLING TO HELP WITH FUNDS, AND ALSO SIGNATURES ON PETITIONS FOR MORTON SOBELL PARDON, AND HELP IN THE CAUSE OF MORTON SOBELL. SHE ALSO DISCUSSED THAT SENATOR KNOWLAND OF CALIFORNIA WAS REPORTED TO HAVE MADE A STATEMENT OF THE SOBELL CASE, AS REPORTED VERY ANGRILY PREVIOUSLY IN THE MEETING BY ESTHER SKLOR, SYLVIA STEINGART SAID THAT SENATOR KNOWLAND SAID THAT STATEMENT AND ALSO HE NAMED THE SECURITY COMMITTEE WHEN MAKING THE STATEMENT TO THE AMERICAN PRESS, WAS NOT OF MORTON SOBELL BUT OF THE OTHER SOBELL, CONVICTED ALSO AS RUSSIAN SPY IN THE EAST. SHE SAID THAT THE MAGAZINES AND NEWS PAPERS DO NOT SAID IT WAS NOT MORTON SOBELL. AND SHE LIKE MANY OTHERS OF THE MORTON SOBELL COMMITTEE RESENTED THOSE STATEMENTS BY SENATOR KNOWLAND, AND THAT MORTON SOBELL MIGHT VERY WELL BE MISTAKING BY THE PEOPLE THAT READS THE NEWS PAPERS WITH THIS OTHER (SOBELL). SHE TALKED FOR MORE THAN 20 MINUTES AND EVERYONE WAS GETTING TIRED OF IT. SHE ALWAYS LIKE TO TALK ABOUT WHAT SHE IS DOING WITH REGARD TO THE SOBELL CAUSE AND WHAT SHE WILL DO, AND HER MANNER USED WHEN TALKING TO PEOPLE OR MAKING SPEECHES IS THAT OF ONE WHO IS TRYING TO TELL "THIS IS WHAT I WANT YOU TO DO" OR "THIS IS WHAT YOU SHOULD DO". SHE TAKES MUCH PRIDE ON HER WORK FOR THE MORTON SOBELL COMMITTEE AND CAUSE AND ONLY THINKS OF HERSELF ONLY. THAT IS HER ATTITUDE AS I HAVE OBSERVED. MANY WOMEN MEMBERS OF THE COMMITTEE RESENTED HER FOR HER ATTITUDE.

NEXT: (?) MRS GABRIEL, MEXICAN BORN, WHITE, AMERICAN PARENTS, BLONDE HAIR, BLUE EYES, ABOUT 44 - 46 YRS. 140 LBS., WEARING GLASSES, 5'5" TALL. SHE WAS THE DELEGATE FROM FRESNO, CALIFORNIA. SHE INTRODUCED ANOTHER MAN LAST NAME MR. JORDAN, PROBABLE AMERICAN, VERY DARK COMPLEXION, NOT MEXICAN,

"MRS. _____ GABRIEL CHAIRMAN OF THE FRSNO, CALIFORNIA COMMITTEE OF MORTON SOBELL, SAID THAT SHE BELIEVED IN THE INNOCENCE OF MORTON SOBELL AND THAT WAS WHY SHE IS WORKING ON HIS BEHALF, THAT SHE WAS MEMBER OF A NEW CHURCH, THE LIBERAL CHURCH OF FRSNO, WITH A CONGREGATION OF ONLY FORTY PERSONS, AND ONLY ESTABLISHED IN FRESNO 2 YEARS AGO.

"SHE SAID THAT SHE WAS ABLE TO GET TOGETHER ONLY MORE THAN 20 PERSONS IN A MEETING FOR THE MORTON SOBELL CAUSE, AND COMPARE TO THE SMALL NUMBER SHE THOUGHT THE MEETING WAS NOT A FAILURE SINCE SHE WAS ABLE TO COLLECT 40 DOLLARS AMONG THE PEOPLE THAT ATTENDED THAT PARTICULAR MEETING, SHE DID NOT MENTIONED ANY DATES, BUT SHE SAID SHE HAD ALREADY TURN THE MONEY COLLECTED BY HER, TO THE NATIONAL COUNCIL MORTON SOBELL COMMITTEE IN NEW YORK CITY, AND SHE COULD PROVED RIGHT NOW, BY SHOWING THE RECEIPT SHE RECEIVED BY MAIL, SHE MAILED THE MONEY TO NEW YORK. SHE ALSO STATED THAT SHE IS GOING TO LEAVE THE U.S.A. FOR MEXICO WHERE SHE WAS BORN, AND SHE WOULD LIKE TO KNOW SOME OF THE PEOPLE IN MEXICO SHE COULD CONTACT TO TALK TO THEM IN MEXICO AND MAKE PLANS FOR THE MORTON SOBELL CAMPAIGN OF FREEDOM, SHE SAID SHE WAS GOING TO SINALOA, MEXICO. (TO THIS POINT TIM KELLY TOLD HER, THAT THE MEXICAN PEOPLE IN MEXICO CITY WHOM HE TIM KELLYM CONTACTED WHEN HE VISITED THAT COUNTRY, DO NOT LIKE OTHER PEOPLE THAN MEXICANS TO ATART STIRING THE PEOPLE THERE, BECAUSE THERE IS A COMMITTEE OF MEXICAN PEOPLE WORKING WITH THE MEXICAN GOVERNMENT ON THE SOBELL CASE. HE DOES NOT KNOW WHETHER THE SUPREME COURT WILL GRANT A REVIEW IN HIS CASE, BUT SAID IT IS VERY DIFFICULT BUT MANY TIMES THE COURTS THEY WANT TO LISTEN TO THE CASE. HE SAID IT WAS UP TO THE PEOPLE TO GET HIM OUT, TO WORK HARD, AND HE KNOWS VERY WELL THAT HIS CLIENT IS AN INNOCENT MAN, AND SHOULD BE RELEASE FROM ALCATRAZ. HE ALSO MENTIONED THAT THERE ARE DIFFERENCE OF OPINIONS WITH REGARD TO THE HANDLING OF THE CASE, BETWEEN HIMSELF AND MORTON SOBELL, BUT, HE ADDED HE ALWAYS RESPECT THE OPINION WHICH ARE VERY INTELLIGENT, IN A MEETING TO TAKE PLACE AT ALCATRAZ ISLAND SOON., (NO DATE MENTIONED). ALL THOSE DIFFERENCES IN THE PLANNING AND OF CONDUCTING THE CASE WILL BE ironed OUT MUTUALLY TO BENEFIT BOTH, HIMSELF AND MORTON SOBELL, AND HE WAS SURE EVERYTHING WILL COME OUT FOR THE BEST. MISTER DREYFUS LEFT THE ROOM RIGHT AFTER HIS BRIEF REPORT.

"MRS. ROSE SOBELL WAS ADSENT FROM THE MEETING. SHE LEFT TOWN, NO MENTIONED WHERE SHE WENT.

"NEXT. THE SEATTLE DELEGATE, A WOMAN, MENTIONED ABOVE AND DISCRIBED HER NAME WAS NOT MENTIONED AT ALL, ONLY AS THE SEATTLE DELEGATE. SHE SAID SHE DID KNOW WHY HE DID NOT COME TO SAN FRANCISCO.

~~"ESTHER SKLAR, MADE A SORT OF LONG SPEECH, INSTEAD OF A REPORT.~~
SHE SAID THAT IT WAS INDEED FRIENDS (AND SHE TALKED WITH AN ACCENT, HEAVY ONE) A GREAT HONOR TO BE ELECTED AS DELEGATE TO

SF 100-35117

FRIENDS SHE SAID, WE HAVE TO FIGHT TO GET MORTON SOBELL OUT OF ALCATRAZ, SHE SAID WITH GREAT FERVOR, MORTON SOBELL IS NOT SPY FOR RUSSIA, HE WAS FRAMED, BY THE U.S.A. GOVERNMENT, HE NEVER STOLE SECRETS FROM THE NAVY (U.S.A. NAVY) LIES AND LIES. AT NEW YORK IT WAS ORDERED THAT A NEW CAMPAIGN WILL HAVE TO BE PUT INTO ACTION RIGHT AWAY. AND WE NEED LOTS OF MONEY, FRIENDS.

ALL SHE DID WAS TO TALK ABOUT IN THE TERMS I MENTIONED WHICH SHE DID BUT SAYING NOTHING.

"FINALLY _____ THE WOMEN DELEGATE FROM LOS ANGELES WHO ALSO WAS DELEGATED TO THE NATIONAL CONVENTION IN NEW YORK, GAVE A REPORT (I HAVE DISCRIBED HER ABOVE AND MENTIONED HER NAME AS (PHONETICALLY AS WHISH) _____ (?) A QUOTA OF 30,000 SIGNATURES IN PETITIONS FOR CALIFORNIA SHOULD BE REACHED NOT LATTER THAN THE MONTH OF APRIL 1958 WHICH WILL BE THE FIRST QUARTER. THE COMMITTEES IN THE ENTIRE U.S.A. WILL WORK ACCORDINGLY AS SUCH:

"NORTHER AND SOUTHERN CALIFORNIA AND SAN FRANCISCO WILL WORK TOGETHER AND MUTUALLY CONTACTED WITH SEATTLE, TACOMA, WASHINGTON, VANCOUVER, D. C. SF 100-35117

IN RETURN CONTACT CHICAGO AND SENT EVERYTHING PERTAINING TO MORTON SOBELL CAUSE, IN ALL CALIFORNIA CITIES, SEATTLE, TACOMA, WASHINGTON, AND VANCOUVER B. C.

"CHICAGO, THE MIDDLE EAST AND THE MIDDLE WEST IN RETURN WILL SENT ALL REPORTS AND FUNDS RECEIVED FROM THE CITIES AND PLACES ABOVE MENTIONED TO THE NATIONAL HEADQUARTERS OF THE MORTON SOBELL NATIONAL COMMITTEE NEW YORK CITY, N. Y.

"IN NEW YORK STATE ACCORDING TO THE REPORT MADE BY THE LOS ANGELES DELEGATE WHICH (?) IT WAS COLLECTED \$29,000.00 DOLLARS, AND ALSO NEW YORK NATIONAL COMMITTEE OF MORTON SOBELL RECEIVED FROM CALIFORNIA STATE, THE SUM OF \$26,000.00 DOLLARS WHICH WAS COLLECTED THROUGHOUT CALIFORNIA, GIVEN A TOTAL AMOUNT OF \$85,000.00. OUT OF THIS AMOUNT, \$18,000.00 DOLLARS ARE LEFT IN THE TREASURE, MOST OF THE EXPENSES WERE FOR LAWYERS, ETC. SHE ALSO REPORTED THAT THERE ARE ABOUT 150 HEADQUARTERS ALL OVER NEW YORK CITY ALONE. AND SHE SAID THAT NEW YORK AND CALIFORNIA ARE THE MAIN STATES FOR THE ACTION TO TAKE IMMEDIATELY, FAVORING THE FREEDOM OF H. SOBELL.

"ALL THE COMMITTEES THROUGHOUT THE U.S.A. ARE ORDERED BY THE NATIONAL COMMITTEE OF MORTON SOBELL TO COLLECT SIGNATURES FOR THE PETITIONS THAT SOON WILL START TO CIRCULATE, AND AT THE SAME TIME WHILE COLLECTING SIGNATURES TO COLLECT MONEY, LOTS OF MONEY. CALIFORNIA IS ORDERED TO HAVE 30,000 SIGNATURES BY THE FIRST QUARTER OF THE YEAR 1958 WHICH DEAD LINE WILL BE APRIL 1958, AND \$30,000.00 DOLLARS. SPEAKING ABOUT THE INTERNATIONAL MATTER OF THE CASE, SHE SAID THAT THE NATIONAL COMMITTEE OF NEW YORK CITY HAS ADVISED ALL THE COMMITTEES THROUGH THE U.S.A. NOT TO START ANYTHING BIG YET, UNTIL ALL OF THE SIGNATURES ARE ALREADY IN AND SENT TO THE PRESIDENT OF THE U.S.A. AT THE WHITE HOUSE IN WASHINGTON, D.C. ASKING THE PRESIDENT FOR MORTON SOBELL. BUT, IF ANY CASE ALL OF THIS FAIL, THE PETITIONS AND THE TREASURE IN FAVOR OF MORTON SOBELL, AND PARDON OR FREEDOM IS DENIED BY BOTH THE PRESIDENT AND THE COURTS, THEN THE BIG INTERNATIONAL CAMPAIGN WILL START IMMEDIATELY, AT FULL BLAST, AND WILL USE ALL MEANS AS POSSIBLE TO FREE MORTON SOBELL BY STIRING THE PEOPLE AROUND THE WORLD AND ESPECIALLY THE COUNTRIES IN LATIN AMERICA, AND THE SLOGAN FOR

SF 100-35117

THIS CAMPAIGN WOULD BE JUSTICE FOR MORTON SOBELL WAS DENIED IN THE U. S. A. THE CHARGE THAT HE WAS KIDNAPPED BY U.S.A. OFFICIALS FROM MEXICO WILL BE PUT INTO EFFECT." IF THE U.S.A. OFFICIALS COULD KIDNAPP MORTON SOBELL OUT OF MEXICO VIOLATING THE INTERNATIONAL TREATIES BY BOTH COUNTRIES, THEN THEY (U.S.A. OFFICIALS) CAN DO THE SAME THING ALL OVER AGAIN ANYTIME IN ANY PART OF LATIN AMERICA. ALSO SYLVIA STEINGART MENTIONED THAT IT IS A GOOD THING THE SENATOR KNOWLAND WROTE MRS. SOBELL A LETTER YEARS AGO, WHEN ANSWERING HER LETTER (MR. HELEN SOBELL LETTER) ASKING THE SENATOR TO HELP HER HUSBAND. THE SENATOR, ACCORDING TO SYLVIA STEINGART SAID "HE WAS VERY SORRY FOR HER, BUT AS MUCH AS HE WOULD LIKE TO HELP ON THE CASE, HE COULD NOT ACT, BECAUSE IT IS AN ADMINISTRATIVE MATTER" THEY SAID, SYLVIA STEINGART AND VIRGINIA JENCKS THAT TO HAVE A LETTER MIGHT COME VERY HANDY NOW A DAYS.

"SMALL BUFFET WAS SERVED DURING THE RECESS, COFFE, XASE, SALAD AND SANDWISHES. A WAITER FROM THE WHITCOMB HOTEL SERVED COFFEE.

"MANY VOLUNTEERS WILL BE NEEDED BY THE COMMITTEE FOR MORTON SOBELL FOR THIS BIG CAMPAIGN.

"THEIR MAIN OBJECTIVE IS TO STIR UP THE PEOPLE NOT ONLY HEAR IN THE U.S.A. BUT IN MEXICO AND OTHER COUNTRIES IN LATIN AMERICA AS WELL. THEY WILL PLAY WITH THE SENTIMENT OF LATIN AMERICAN AND THEIR NATIONALISM, AND THE ACCUSED MAN, MORTON SOBELL, IF AN INNOCENT MAN. ALSO THE QUOTATIONS FROM JUDGE KAUFMAN STATEMENT WHEN THE JUDGE CHARGE THE JURY IN THE MORTON SOBELL CASE. "THAT IF THE JURY BELIEVED THE STORY OF THE WITNESSES FOR THE PROSECUTION TO BE LIES, THEN TO DECLARE MORTON SOBELL FREE AS CHARGE" THE STATEMENT IS NOT EXACTLY AS I HAVE WRITED IT, BUT MORE OR LESS ON THE SAME TERMS.

Previous investigation has disclosed that on 1/3/50 and 1/10/50, telephone calls were placed from subject's place of business, Pitt Machine Products Company, New York City to one "Mr. FRIEBERT (ph) at the Philadelphia Signal Corps, Philadelphia, Pa.

Inquiry at the Philadelphia Signal Corps by SA CHARLES SILVERTHORN disclosed that MURRAY FIEBERT was employed with the Signal Corps from 4/25/40 until 9/8/50.

MURRAY FIEBERT, 50-18 229th Street, Bayside, Long Island, NY, when interviewed on 3/7/58 at New York, acknowledged that he was employed with the Signal Corps from 4/25/40 through 9/8/50. He stated he was employed as a Purchasing Officer, Contracting Division, Contract Awards Branch, Philadelphia Signal Corps from 6/48 through 2/50. He denied recalling any contact he may have had with subject or the Pitt Machine Products Company. FIEBERT believed he had been questioned in 1950 by some intelligence representatives, possibly G-2 concerning whether he had known or had been in contact with JULIUS ROSENBERG.

Baltimore is requested to check appropriate records at Fort Holabird, Md., to ascertain if a representative of G-2 contacted MURRAY FIEBERT during 1950 and if so report all pertinent information. FIEBERT was born on 6/3/17 at New York City. He reportedly resided at 1069 Alcott Street, Philadelphia, Pa., during 1950.

A Busy Writer Thinks Out Loud

By JIM BISHOP

STREAM OF CONSCIOUSNESS: A thousand little motorcycles of thought race around the inside of my head, squealing on the turns and throwing the gravel of nonsense in the air. Some are good thoughts, worth following for one more lap; some are silly. My friend Stan Mockford will soon be paroled from Atlanta Penitentiary. His little girl is now five.

BISHOP

He did time in Alcatraz, too. Stan is a writer. He has much to learn, but he proved that he wants to go straight by writing two novels in jail. His agent, Maria Horch, has high hope for his work. He writes: "I have finally been able to admit that the pride which has prevented me, in the past, from turning to someone for advice in time of difficulty, has been a false pride. Real pride is not compatible with deliberate wrongdoing." He's in for interstate car theft.

My daughter Ginny and her husband drove to the Eatontown Drive-In. Holding hands on a front seat sounds romantic, but when I think of the infant twins in their cage on the back seat, the scene sounds like a magazine cover.

Speaking of twins, Mrs. Marion Henson of Long Branch was telling me that, when she was pregnant, her doctor said: "I hear two heartbeats."

"I have news for you," snapped Mrs. Henson. "One of them is mine."

Two weeks ago, I started the final phase of the next book, "Time of the Traitors." It is a story about the atom spies—the Rosenbergs, Dr. Klaus Fuchs, Alan Nunn May—and the research required three years. Now the cross-indexing of the 12 volumes of notes will take six weeks. After that, the writing of the book will keep me busy until Spring. When it is published in the Fall, it could lay an egg. C'est le book.

When Jack Paar was in California, I watched most of the shows. They were among his best. The brightest guest, of course, was Oscar Levant, who is reduced to making a living from his neurosis and his sparkling insolence. On my screen, he seemed sicker physically than mentally. If he gets well, he's out of work.

I'm not much of a nightclub man, but I went to the Latin Quarter to listen to Anna Maria Alberghetti and remained to look at her. She is beautiful. Not just attractive—beautiful.

Christmas is almost here. I hope that most of us remember that it is not a commercial occasion; it is not the invention of Santa Claus; it is the birthday of Christ and, therefore, a holy day.

On the 27th, our family is leaving for Key Biscayne Hotel for a week. The last time I was in Miami was in 1925. I was 17 and out of a job. This time, Gayle will go with me, also Ginny and Charlie and the twins. I expect to see some of the night life, and will report the good and the bad when I get home.

There is a good deal of Smithfield in this family. At a Banshee luncheon, Bugs Baer introduced my father. Pop stood and when he heard the thunder of applause, he bowed so long I thought he'd never sit.

When it died, Mr. Baer said: "My son and daughter are here, and I would introduce them but I'm afraid they'd resent it." A wave of laughter swept the grand ballroom of the Waldorf-Astoria.

Joan Sullivan and Imelda Kaiser stopped by for dinner. Joan gave Imelda a book to read. "It's a bad novel," I said, although nobody asked me. "The bride gets shot on page 420."

Miss Sullivan looked at me with real horror. "You shouldn't have told her," she said. "How would you like it if I went around telling everybody how 'The Day Lincoln Was Shot' comes out?"

A thousand little thoughts racing around...

This leaflet is maintained in 100-25530-1B2(382).

The leaflet recites that CARLETON BEALS is an author, lecturer, authority on Mexico and the Caribbean area and former consultant to the U.S. Government on Mexican affairs. BEALS calls SOBELL's conviction a "brazen denial of elementary rights and so absurd it's incredible." BEALS relates that the testimony of only one witness, MAX ELITCHER, is the only evidence against MORTON SOBELL and he describes ELITCHER as a self-confessed "perjurer" and "liar" who has at various times been under psychoanalytic treatment. BEALS relates that ELITCHER testified that one evening he accompanied SOBELL on a ten minute ride to the vicinity of the accused JULIUS ROSENBERG's New York apartment to deliver a can presumably to ROSENBERG. BEALS relates that SOBELL's crime as presented at the trial seemed to consist of having possibly been a Communist and fellow traveler and fellow

WOMEN AGAINST THE LAW Ethel Rosenberg Died for Beliefs

Here is an unprecedented story of one of the most successful woman spies of all time, Ethel Rosenberg. She gave her life, not for money or for the love of a man—but because of a dedication to a cause. This is the third of a series on women who lived outside the law.

By MARY PADDOCK

She did not look like a spy. There was nothing glamorous about five-foot, 100-pound Ethel Rosenberg. Mata Hari, who addled men with her beauty, might have scorned this tiny housewife and mother from New York's tenement-ridden lower East Side.

And yet Federal Judge Irving R. Kaufman, in sentencing Ethel Rosenberg to death, said:

"By your betrayal, you have undoubtedly altered the course of history to the disadvantage of your country."

And in refusing to commute the death sentences for Ethel and her husband, despite Communist-inspired pressures on him to do so, President Eisenhower noted:

"...I can only say that, by immeasurably increasing the chances of atomic war, the Rosenbergs may have condemned to death tens of millions of people all over the world."

Even in death this woman won a kind of obscene victory over her native land. There were protests about her execution in the capitals of the world. Leaders in the war against communism, including Pope Pius XII, found themselves involved in a cleverly plotted attack against the American ideal of justice.

RAISED ON EAST SIDE

The ugly charge of anti-Semitism, brought up by Julius Rosenberg, was pivotal in the global tension engendered by the case, although the trial judge, the prosecuting attorney and the chief prosecution witnesses were Jewish.

Mata Hari never dreamed of such a triumph as that which led Ethel Rosenberg to the headlines.

For the housewife, first woman to be condemned to death by the Federal government since the execution of Mrs. Mary Surratt for her part in the assassination of Abraham Lincoln, was part of a spy ring which, according to testimony, gave Soviet Russia the atomic bomb and, according to further testimony, since her death, informed the U.S.S.R. of American guided missile discoveries.

With Ethel Rosenberg, the road took an early turn. As a young girl on the East Side, she was interested in the piano, singing and dramatics. Brilliant, she was graduated from Seward Park High School at 15.

She had met there a tall, thin youth named Julius Rosenberg, whose parents hoped he would be a rabbi. She herself had become the youngest member of the Schola Cantorum after intensive voice study.

They became Communist party members, in those depression days, before they were out of their teens. It wasn't as if Julius led Ethel into it—she was two years older—but he was so active in Red activities that he flunked out of the City College of New York in 1937. He returned and, in February, 1939, received his electrical engineering degree.

He worked for various firms. She was a stenographer and

typist, had worked briefly with the Census Bureau in Washington in 1940, a year after they were married.

Their belief in communism led them into spying as marijuana can lead an addict into heroin.

And in June, 1944, Ethel's recently drafted brother, David Greenglass, was transferred as an army machinist to Los Alamos, N. M., where top secret work was being done on the weapon which would end World War II and open to man a new heaven and hell.

OBTAIN SKETCHES

In November of that year, the Rosenbergs asked David's wife, Ruth, to dinner. They explained to her their belief that the United States should share all information with Russia. To this end, they asked her to have David pass them information.

When she visited David at Los Alamos, he agreed. He gave the Rosenbergs general information

on the base. In January, 1945, he came home on furlough and gave them something more—rough sketches of the high explosive lens used to detonate the atomic bomb.

Working under the Soviet consul in New York, the Rosenbergs were now in business. A courier, identifying himself with a torn half of a jello box which matched the half held by David, picked up further sketches of the lens, a crude cross-section and 12 pages describing the A-bomb.

Then, in the autumn of 1949, German-born Dr. Klaus Fuchs, a British scientist with the highest security rating, confessed to spying for Russia while at Los Alamos.

He implicated Harry Gold as his courier and Gold, acknowledging this, said he also had been the "Jello box" courier for David Greenglass and the Rosenbergs. Greenglass confessed.

Two months later, in September, 1950, the Rosenbergs were arrested.

There followed, in two areas, one of the strange battles of our time. One aspect involved the law: found guilty by a jury of 11 men and one woman, the Rosenbergs were sentenced to death, but the case went through various courts to the Supreme Court twice, the execution was three times stayed to permit appeal hearings and

it was two years, two months and 14 days before Judge Kaufman's death sentence was carried out.

'FRAUD AND DECEIT'

Meanwhile, the propaganda battle raged.

And what the House Committee on Un-American Activities later called a Communist "worldwide undertaking of monumental fraud and deceit" necessarily concentrated on Ethel Rosenberg.

For only the Rosenbergs protested their innocence. Without question of their guilt, many figures enlisted in the strange crusade on their behalf only to commute the death sentences. It was Ethel Rosenberg, the little mother of two young sons, whose image was conjured up for the world. To this cause, she lent herself freely.

World tension mounted and, on the night of the execution, June 19, 1953, as the Rosenbergs, stoic to the end, went to the electric chair, anti-American demonstrations broke out in London and Paris and Rome.

In Toronto, a mob outside the U. S. consulate called, "Murderers! Shame!" Police here broke up a demonstration of 5,000 persons in Union Square. A guard was posted around Judge Kaufman's home.

JOYCE SPARER gave an English lesson to KOTOVSHCHIKOV.
SPARER stated that she formerly lived, was born and raised, in
Brooklyn, and two years after her first child was born, she
moved to Queens.

KOTOVSHCHIKOV advised that he lives in a small house
in Rye, New York, and commutes to work with a friend from the
United Nations who drives a car. Each morning he goes to the
friend's house and they drive into the City together.

SPARER gave an English lesson to MARIYA GRIGOREVNA
MIKHAILOVNA. SPARER indicated that her husband, MAX SPARER,
had been in the Army. However, he works in shipyards near
riveters and became tired of hearing from the constant noise.
SPARER indicated that GAIL ROBINSON (phonetic) and LOUIS

January 7, 1960

On 1/6/60, CARL MARZANI spoke at the Faculty of Social Science, 80 East 11th St., NYC. He compared two novels: "The Survivor" written by himself and "Advice and Consent" by DRURY. This forum started about 8:45 PM and ended about 10:30 PM. There were 17 persons present.

MARZANI said that his own book was factual, but that DRURY's book was based on what DRURY wished things were. He stated that DRURY knew the facts, but had so written his book that it was propaganda. He called DRURY a political writer who knew what was going on but would not write of it.

MARZANI stated that he himself is pro-Communist.

MARZANI noted that DRURY wrote that the President of General Motors Corp. telephoned a Senator ordering the Senator to make decisions pleasing to General Motors and in the same manner issued orders to the UAW. MARZANI then said that DRURY knows that the President of General Motors would not use a phone in such instances because he, the President, knows the phones are tapped. He said that DRURY knows how things are really done, but he would not write the real facts.

MARZANI noted that in his own book he had written of gangsters being in power behind the scenes, but said he did not know personally of this situation, but figured that is what happens because everybody knows it is so.

MARZANI said that DRURY wrote that after a Cardinal of the Catholic Church contacts a Senator, the Senator agrees with the Cardinal, but later does nothing. MARZANI said that in his own book he pointed out that the Bishop influences the 25 million Catholics and so makes policy.

MARZANI stated that in his book he indicated through one of the characters that the Senators have almost ruined the United States.

NY 100-106238

MARZANI referred to THOMAS WATSON stating WATSON used shrewd methods to gain political power and used the negro problem for political purpose. He described WATSON as a southern radical. At this point MARZANI mentioned THOMAS JEFFERSON to state JEFFERSON had an illegitimate negro daughter.

MARZANI said that DRURY makes President EISENHOWER look like a liberal.

MARZANI said that 10 years of Senator MC CARTHY almost undid America. MARZANI said that he feels that there is still hope for America, but that the ruling class is stagnating. He said that 10 years ago there were 16 doctors for some thousand people while now there are only 15 doctors for the same number of people.

MARZANI said that in 1920 there were less communists than there are today. He remarked that the smallness of the audience was not a true indication because there were plenty of others. He said America is becoming more pro-Communist. He said today it is easier for the communists to get along because of the peace issue. MARZANI said that now most of the doors are open to him. He said that for the first time the Herald-Tribune reviewed one of his books.

Literature of the Liberty Prometheus Paperback Book Club, 100 West 23rd St., NYC, was distributed. MARZANI said that he needed to get 1000 members for his book club by June, 1960, or he would have to close the doors.

MARZANI said that Americans have been given the image of themselves as crusaders for a free and better world, but actually in the eyes of Europeans and Asians, the American is a money-maker who does not care about anything except business and money.

MARZANI said that Governor ROCKEFELLER had withdrawn from the Presidential race because after touring the country he realized that the people want peace and not what ROCKEFELLER stands for. He said this conclusion had appeared in the Herald-Tribune.

NY 100-106238

MARZANI stated that he had employed ETHEL ROSENBERG as his secretary. He said that he admired her courage and heroism, but that she was actually a neurotic, unsteady person. He said that there was no point in telling the truth about her personality.

MARZANI said that 20 years ago Professor VAN DORN, the father of CHARLES VAN DORN, told MARZANI that he should stop writing because he was not capable of good writing. MARZANI said that the VAN DORNS are a distinguished, cultured, American family. MARZANI said that if the elder VAN DORN had been asked, before his son's TV trouble, what he thought of the American government, he would have praised it in glowing terms, but now since his son's trouble, the elder VAN DORN would say that it is rotten. MARZANI said that CHARLES VAN DORN loves culture and teaching, and did not care for the money, and still wants to teach, but his career is probably ruined. MARZANI said that CHARLES VAN DORN has a weak character and should have told that the TV management was rotten and made him deceive the public, and that he was sorry.

MARZANI said that "PEARL" had asked him to write the political part of a book she was writing. He did not identify PEARL.

The circular of the Liberty Book Club is filed as an exhibit in NY 100-91185 -156 (6).

The PEARL referred to by MARZANI is not known to the source. It could possibly be PEARL BUCK.

"ADVISE and CONSENT" was written by ALLEN DRURY.

NYO files also indicate that stops on some of the aforementioned people were placed with the passport Division of the Dep't. of State.

In view of the various changes in the procedure of placing and removing stop notices which have taken place in the past few years and the indication that INS has a system for automatically cancelling lookout notices after the lapse of 5 years from the date of placement, it is virtually impossible to tell which of the lookout notices and/or stops are still in effect. To complicate matters, as previously noted, some of the lookout notices were placed with INS by the Criminal Division of the Dep't. of Justice. In order to resolve this matter definitively, it is requested that your office check the records of INS and the passport Division of the State Dep't. to determine which stops and/or lookout notices are presently in effect on the persons previously listed in this letter. If any of the existing lookout notices are subject to automatic cancellation by INS, please obtain the date when cancellation will take place in each instance.

Re: Julius Rosenberg; Et Al

Dear Sir:

This is to confirm the telephone conversation between Mr. Cunniffe and Special Agent Walter C. Roetting, Jr., on August 8, 1961, concerning the disposition of the Remington portable typewriter, shell clasped pin, keys, and miscellaneous photographic supplies obtained from the Rosenbergs at the time of their arrest.

Mr. Cunniffe rendered the opinion that the aforementioned items should be retained for possible evidenciary value and also because these items could conceivably be useful in future trials or hearings in refreshing the memory of witnesses.

Very truly yours,

42-34 ELBERTSON STREET
ELMHURST 73, N. Y.

APR 5 1962
UNITED STATES ATTORNEY
SO. DIST. OF N. Y.

April 14, 1962

Mr. Robert M. Morgenthau
United States Attorney
United States Court House
Poley Square
New York, N. Y.

Dear Mr. Morgenthau:

My wife and I have been working for some time on a book which deals, in part, with some of the atomic espionage cases of the early Fifties--including, of course, the Rosenberg case. One of the defendants at that trial, David Greenglass, drew four replicas of sketches that he had transmitted to an agent of the Soviet Union some years earlier. These replicas were introduced as trial exhibits by the prosecution.

For purposes of research and also as possible illustrations for our book, we have been interested in obtaining photostatic copies of these replicas, which are identified as exhibits 2, 6, 7 and 8. Last year, we requested copies of 2, 6 and 7 from Mr. Edward Cunniffe--who has charge of the Rosenberg case exhibits--and after checking with the Department of Justice he was able to provide us with these.

We are writing to you now to request a copy of exhibit 8 and also of certain sealed testimony connected with it. This exhibit, which was impounded by the Court, is--according to the docket--presently kept in the vault in room 602. However, we would like to emphasize that this exhibit 8 was not impounded as a result of any action initiated by the then United States Attorney or by the Court; it was impounded as a result of a request by the defense.

On page 702 of the Rosenberg trial record, we see that the prosecution introduced for identification exhibit 8--a cross-section sketch of the atomic bomb drawn by Greenglass. On page 703, Mr. Roy Cohn offers exhibit 8 in evidence and defense attorney Emanuel Bloch--apparently as some sort of a defense tactic--objects and asks that exhibit 8 be impounded. The exhibit was received in evidence with the agreement that it would be sealed after being shown to the jury. As Greenglass starts to testify about the components of the sketch (page 705), Bloch asks that the testimony be kept secret. After some discussion and some disagreement among defense counsel, the court spectators are excluded while Greenglass testifies but the press is admitted (719). Thereupon, with the press present, Greenglass testifies briefly about the sketch he has drawn and his testimony is widely reported, along with artists' versions of the sketch. See Times, 3/13/51; Times 3/26 (with illustration); Life 3/26 (with illustration); AP, Howard Blakeslee, 3/13; Scientific

American, 4/51 and so on.

Later, a witness, Mr. John A. Derry, testified regarding the Greenglass sketch and testimony and some of this material was ordered impounded by the Judge--Irving R. Kaufman (page 1319).

Our request, then, is for permission to see, read, and have copied both exhibit 8 and any related testimony that is presently impounded. Any expenses for transcribing the impounded stenographic notes will, of course, be met by us.

Regarding any question you may have as to the possible "secret" character of this material, we would remind you that it was clearly the intention of the United States Attorney in 1951 to introduce exhibit 8 in normal fashion and to present the Greenglass and Derry testimony in the same way. Furthermore, we make this request with the firm belief that the Department of Justice would not have the slightest reason, or basis, for objecting to it.

We look forward to hearing from you.

Sincerely,

Walter Schaefer

MISCELLANEOUS

Soviet Atomic Research Information

Informant advised that during the period 1942-1951, the Soviets had informants who furnished information regarding atomic research in the US. The information was voluminous and he identified JULIUS ROSENBERG and wife, ELLAN NUNN MAY, and KLAUS FUCHS as among these sources. He stated that MAY and FUCHS were regarded as the most important sources. He also indicated that the Soviets had many contacts at Los Alamos during the period 1942-1951. Informant also advised that BRUNO MONTECCORVO was working in a laboratory in Dubna, Russia, as late as 1960-1961.

Informant's Comments Concerning
Soviet Illegal Agent

Informant stated that at one point during his talk with KGB officials in Moscow, the question of illegal agents arose. Informant said the question arose as to what would happen now that it was evident that the FBI in the US had been successful in penetrating GRU illegals. Informant stated that the answer to this was that any segments of the GRU illegal operation which the FBI has penetrated or which it is felt may have been penetrated will be completely "destroyed."

Informant stated that it was also stated that some of the "ROSENBERG illegals" had never been detected by the FBI in the US and are at the present time working very well. Informant commented that he had heard that at one time Colonel BARKOVSKY worked with the ROSENBERG couple. Informant stated he could not recall specifically who made the remarks set out above. He stated that he had heard nothing, while in Moscow, about the ABEL illegals whom he has previously identified by the code names "ML DOVITOV" and STAROVITCH."

In connection with this, informant stated that as far as he knows SHERMAN LEVAYOV and ANATOLI SHUVALOV are the only KGB Illegal Department support agents in NY. Informant stated he has no knowledge of any illegal agent activities handled out of the Washington KGB Residency.

NY 1347846

Information Concerning "BURGESS" and "MAC LEAN"

Informant stated that BURGESS and MAC LEAN, who defected to the Soviet Union from Great Britain, served in England furnishing atomic data for a long time before defecting, perhaps as long as eight or ten years. He advised that they were connected with Soviet Military Intelligence (GRU).

Information Concerning "MARTIN and MITCHELL"

Informant advised that he saw the Americans, MARTIN and MITCHELL, NSA employees who defected to the Soviet Union, at a press conference shortly after they arrived in Moscow. He said that he knew nothing about them except that they went to the Soviet Union from the United States via Cuba, and then by steamer to Russia.

Information Concerning Anti-Missile Missiles

Informant advised that in October, 1961, he attended a conference of Rocket Society Specialists in Russia, at which time a scientist named KISUNKOV stated that the problem of intercepting missiles had been solved. Informant stated that KISUNKOV told him that the warheads of the Anti-Missile Missiles were filled with clean material so that there would be no dangerous radio-active fallout over the Soviet Union.

KGB School Near Moscow

Informant advised that there is a special KGB School located approximately 25 kilometers east of Moscow on the road to Gorki. He stated that he had been to this school approximately five times as a lecturer to KGB agents in training. He advised that the lectures consisted of the latest developments in various types of atomic weapons. Informant advised that these lectures were given solely for indoctrination and information. Informant stated that he himself had never gone through this training school.

Soviet Sources Among American Employees
in United States Embassy in Moscow - 1961

Informant advised that in September, 1961, he was told by N. I. MATKIN at KGB Headquarters in Moscow, that three agents of the KGB had received money awards for developing sources among American employees in the United States Embassy in Moscow in 1961. The informant said that one of the American employees at the United States Embassy helped KGB agents open the Ambassador's safe in the Embassy in order that the KGB agents could photograph the documents therein. Informant stated that he could not identify the exact location of the safe within the Embassy.

Soviets Interest in United
States Computers

Informant advised that the Soviets have obtained plans for the "lightning" computer which is being developed in California. He stated that they have already obtained these plans, although it is still in the development stages. He said this computer is capable of making ten million calculations per second.

Informant stated that the Soviets have also obtained complete plans for two computers which were developed at the University of Illinois, each of which is capable of three million calculations per second. He named these computers as the "Illiac" and the "Silliac". He stated that he saw the plans for these computers in Moscow, but that he has no information concerning the method by which the Soviets acquired these plans.

Atomic Information Relative to
Red China

Informant advised that in 1959, he reviewed certain documents in Moscow relating to the development of an atomic

134-7846

device by the Chinese Communists. He stated that based upon his review of these documents, he is of the opinion that the Chinese Communists will be able to explode an atomic device of their own design by the end of 1963.

NY 134-7846

Development of a Nuclear Engine
For Rockets and Soviet Space Effort

The informant advised that at the present time the Soviet Union is carrying out research and development re a nuclear engine to be used in rockets in connection with the Soviet space effort. The informant stated that the main work is being carried out at the Central Aero Hydrodynamic Institute in Moscow headed by Academician MJASISICHIV. Informant stated work on this project is also being done in Odinsk and at the Military Institute at Kiev. Informant said that the main problem in working on the development of the above nuclear engine is to create a small powerful reactor. He said that

NY 134-7846

Specifically the work on a suitable nuclear reactor is being done at Oblinsk.

The informant said that at the Military Institute at Kiev, research is also going on regarding the problem of plasma propulsion. He said that once a small powerful reactor is produced, then it is felt that the problem of plasma propulsion will be easily solved. The informant stated that Mr. EUGENIE PISKOREV of the Institute of Atomic Energy in Moscow stated that the above research projects are not secret and that the information is widely known. PISKOREV also stated to the informant that the US is well ahead of the Soviet Union in the above field.

Intercontinental Ballistic Missiles

The informant said that it was his understanding that the production of Intercontinental Ballistic Missiles (ICBM) was begun in the Soviet Union in approximately 1954. He stated that it is his opinion as of 1960, the average production of military missiles in the Soviet Union was approximately 300 a year. The informant stated that the first satellite successfully launched by the Soviet Union in 1957 used a military type rocket. The informant stated that the first stage in the ICBMs is in every case powered by liquid fuel. The informant stated that Soviet ICBMs are of two general sizes. He stated that one size is approximately 30 meters in length and has a range of from 12,000 to 13,000 kilometers. He stated that the other size measures approximately 24-25 meters and has a range of about 10,000 kilometers. The informant stated that the fuels for all Soviet ICBMs contain "hydride of metals".

The informant stated that two very large ICBM production plants are located at Novokuzalinsk (ph) in Siberia.

The informant stated that he knows very little about the guidance systems of ICBMs and that this is completely out of his field.

NY 134-7846

Informant stated, however, that Colonel KVASNIKOV, the head of the 10th Department of the First Directorate of the KGB in Moscow stated before a group of 10th Department employees that the Soviet Union is approximately ten years behind the US in the electronics field. In this regard, KVASNIKOV stated that the US has better, more compact and more dependable electronic guidance systems for missiles. The informant stated that Minister of Electronics SCHOKIN also made a statement to this effect. The informant stated that all ICBMs carry nuclear warheads and that at the present time efforts are directed towards building smaller and more compact warheads. Informant said size of a warhead would therefore not necessarily be indicative of its power. Informant was asked to estimate the weight of a typical hydrogen warhead and he stated that such a warhead would weigh approximately 3-4 tons. The informant stated that the size of the warhead would depend largely on the individual construction of it, and that size would vary depending upon the particular type of ICBM. Informant stated that ICBMs are stored underground for maximum protection in many parts of the Soviet Union.

Informant stated that the above statements are very general. Due to a time factor at this particular meeting with the informant, it was not possible to go into these matters any further. It is anticipated that during the course of a subsequent meeting with the informant these matters will be more fully discussed.

NY 134-7346

Information Regarding Academician
VADIM A. TRAPEZNIKOV and the
Delegation On Automatic Controls

The informant stated that after the meeting of the Scientific and Technical Branch of the NYO Residency on 6/15/62, he went to a lower floor at the Soviet Mission and met Academician VADIM A. TRAPEZNIKOV of the Academy of Science in Moscow. The informant stated that TRAPEZNIKOV is in the US with a delegation visiting various research centers and laboratories doing work on automatic controls of various types. The informant stated that another member of the delegation is a Professor LETOV. The informant stated he does not know the name of the third man in the delegation, but believes him to be a GRU agent, because (1) each such delegation is required to have either a KGB agent or a GRU agent with it (2) the man with TRAPEZNIKOV and LETOV did not visit the KGB space at the Soviet Mission, so the informant believes he must be a GRU agent in the light of number (1) above (3) this individual was warmly greeted on the first floor at the Soviet Mission by PETER M. MASLENNIKOV, whom the informant has identified as a GRU agent and Assistant to Colonel VNUKOVSKI. The informant further stated that he believes the type of research in which TRAPEZNIKOV is engaged would be of more interest to the GRU and the Military in general than to the KGB.

The informant pointed out that TRAPEZNIKOV is a very important man in the Soviet Union and this is only the second time he has been permitted to leave the Soviet Union.

A review of the Mosnat cards of the NYO reflects that VADIM A. TRAPEZNIKOV, ALEKSANDR M. LETOV and BORIS N. NAUMOV are presently in the US to attend a conference on automatic controls. The Mosnat cards reflect that these three individuals arrived in the US on 6/16/62. The Mosnat cards reflect that TRAPEZNIKOV is Director of the Institute of Automatic and Telemechanics, Academy of Science, USSR. The Mosnat cards show LETOV is a Senior Research Worker. The third man in the group, BORIS N. NAUMOV, is also described on the Mosnat cards as a Senior Research Worker.

NY 134-7846

The informant said that GABEIKO designed IGOR ANDREEV and GLEB PAVLOV to accompany TRAPEZNIKOV and his two associates to the NY International Airport to see them to their plane which was to take off at 7:30 p.m. on 6/25/62. Informant stated that he (informant) went along to the airport with these individuals and that after TRAPEZNIKOV and his associates went aboard the plane the informant, ANDREEV and GLEB PAVLOV went to a bar at NY International Airport.

VLADIMIR B. BARKOVSKY
and His Connection with
the ROSENBERG Case

The informant stated that while he was at the bar at NY International Airport, with GLEB PAVLOV and IGOR ANDREEV, the name of BORIS S. IVANOV came up, but informant stated that ANDREEV is not fond of IVANOV and that generally IVANOV is not a very popular figure among Soviets in NY. The informant stated that ANDREEV compared IVANOV unfavorably with VLADIMIR V. BARKOVSKY who was IVANOV's predecessor as head of the KGB NY Agency. The informant stated ANDREEV said that BORIS IVANOV was nothing compared with BARKOVSKY. ANDREEV went on to say according to the informant, that BARKOVSKY was much closer to KGB operations than IVANOV. As an example of this ANDREEV stated that Soviet intelligence determined that the ROSENBERGS (JULIUS and ETHEL) were about to be arrested. Three days before the ROSENBERGS were actually arrested, BARKOVSKY went to them and ordered them to deny everything in the event they were arrested. Informant said ANDREEV stated that BARKOVSKY had received much important information from the ROSENBERGS over a long period of time and had received a decoration (an order) for his work with the ROSENBERGS. ANDREEV also said that BARKOVSKY was connected with a man who killed LEON TROTSKY in Mexico in 1938. The informant stated ANDREEV did not say whether BARKOVSKY had actually had any part in the development of JULIUS and ETHEL ROSENBERG. Informant stated he could furnish no further information regarding the above matters and that ANDREEV stopped talking when a uniform policeman walked into the bar and stood down near them. The informant stated, in fact, that all conversation stopped between the Soviets and they soon got up and left.

NY 134-7846

The Mosnat cards reflect that VLADIMIR A. BARKOVSKY first arrived in the US on February 17, 1949, and departed on August 25, 1950. It is noted that the ROSEBERGS were arrested in June, 1950, in NYC by Bureau agents for espionage, were convicted and later executed in Sing Sing Prison.

Information Regarding GLEB PAVLOV

The informant stated that after they left the bar he and PAVLOV separated from IGOR ANDREEV and the informant returned to Manhattan in PAVLOV's car. He pointed out that PAVLOV lives in Manhattan, while ANDREEV lives in Queens. Informant stated that en route to Manhattan in PAVLOV's car he attempted to engage PAVLOV in conversation, however, PAVLOV cautioned him to be quiet because he, PAVLOV, believes that his car may contain an electronic device which will enable the FBI to overhear any conversation in this car.

The informant stated PAVLOV said he makes it a rule to never carry on any serious conversation in his automobile. Informant stated that he did not know GLEB PAVLOV in Moscow and has been acquainted with him only since he has been in the US.

Information Regarding IGOR ANDREEV

Informant stated that he has known IGOR ANDREEV since 1957 in Moscow, at which time ANDREEV worked in the Operational Section of the Radio and Electronics Branch of the 10th Department, First Directorate of the KGB under MICHAEL LOFUKHIN.

The informant stated he could furnish no further information regarding other Soviet intelligence activities regarding which he has furnished some information during past interviews.

HOW TO MEASURE THE GUILT?

The Rosenberg Case

THE BETRAYERS: The Rosenberg Case—A Reappraisal of an American Crisis. By Jonathan Root. 305 pp. New York: Coward-McConn. \$5.

By Telford Taylor

"COURTS try cases, but cases also try courts," wrote the late Justice Robert Jackson shortly before the first Nuremberg trial. No observation could be a more apt summary of the subject of this book, which traces the lives of Julius and Ethel Rosenberg and the judicial proceedings that culminated in their execution at Sing Sing just ten years ago, following their conviction as spies for the Soviet Union.

Mr. Root writes, with skill, and the narrative elements of his work are vivid and well paced. Especially absorbing are the early chapters, describing the pinched circumstances and dreary associations from which both of the Rosenbergs emerged with warped personalities and clouded perceptions. They were small people—intelligent and energetic enough to extricate themselves from the grinding poverty of the lower East Side, but quite unable to gain a secure middle-class footing. Thus, their ambitions led to frustrations rather than satisfaction, and their resentments and yearning for fulfillment drove them ever deeper into the shoddy political extremism that eventually brought them to the electric chair.

But two case histories out of many thousands not much different would not make a book. Today this dismal story is significant only as a backdrop for the trial and sentence that catapulted the Rosenbergs from obscurity to global notoriety. And while the later and more important chapters of Mr. Root's book are by no means lacking in interest, they fall short of providing a comprehensive or penetrating analysis of the legal and moral issues that the Rosenberg case presented.

berg-Greenglass conspiracy was ~~said to~~ have been formed in 1944, and Judge Kaufman found no mitigation in the circumstance that the atomic information was to be furnished to the Soviet Union, then our ally.

In ten years' retrospect, as Mr. Root observes, Judge Kaufman's diatribe and dire forebodings "tend to sound ridiculous, palatable as they may have appeared to the popular mind at the time they were uttered." Denying clemency, President Eisenhower also spoke of "the millions of dead whose death may be directly attributable to what these spies have done." But time and scientific opinion have shaken Greenglass' testimony about the value of the information he gave the Rosenbergs, and it seems highly improbable that he (unlike Klaus Fuchs) had sufficient training to transmit scientific intelligence of such scope and complexity. President Eisenhower appears to have supposed that Judge Kaufman's death sentence had been approved by the higher Federal courts, but as the late Judge Jerome Frank's opinion on appeal made clear, neither the Circuit Court nor the Supreme Court had authority to review the trial judge's sentence.

Not only the wisdom but also the legal validity of the death sentence is open to question. A few days before the date scheduled for the execution, Justice Douglas granted a stay after hearing argument, presented for the first time, that the provisions of the Espionage Act of 1917 had been superseded, with respect to atomic information, by the Atomic Energy Act of 1946, which authorized capital punish-

ment only if the accused had the "intent to injure the United States," and the jury recommended a death sentence. Summoned back to extraordinary session on the Attorney General's petition, the Supreme Court heard argument on June 18th, and on the following day it dissolved Justice Douglas' stay order. The Rosenbergs were executed that night.

Three of the Justices (Black, Douglas and Frankfurter) thought the question of the Atomic Energy Act's applicability to be substantial, and deprecated the Court's hasty decision. "To be writing an opinion in a case affecting two lives after the curtain has been rung down upon them," Justice Frankfurter subsequently wrote, "has the appearance of pathetic futility. But history also has its claims. This case is an incident in the long and unending effort to develop and enforce justice according to law. . . . Only by sturdy self-criticism can the necessary habits for detached and wise judgment be established and fortified so as to become effective when the judicial process is again subjected to stress and strain."

In the Rosenbergs' case, the judicial process was strained to the breaking point. Guilty they probably were, but, as Mr. Root remarks, their actions were not those of credible spies, but of psychopaths wandering in a world of fantasy. If indeed they intended to injure the United States, today it appears probable that they came closest to success not as spies, but as the victims of a capital sentence which reflected the fears and confusions of those times rather than an objective measure of their guilt.
